**Workshop Notice – R02-01-011, Decision 03-05-034, Direct Access Switching Exemption**

June 6, 2003

California Public Utilities Commission

10 am	505 Van Ness Ave, Auditorium (Corner of Van Ness Avenue and McAllister Street) <b>San Francisco</b>
-------	---

Decision 03-05-034 directs the Commission's Energy Division to convene a Rule 22 Working Group meeting within 30 days of the decision. The Rule 22 Working Group was originally established in 1997 during electric industry restructuring to provide a forum that allowed technical and management-level staff from utilities, ESPs, and other industry participants to work together cooperatively to develop, refine, and implement the tariff rules and business practices necessary to support effective retail competition in the direct access market.

As directed by the Commission (D.03-05-034, mimeo, p. 12), this meeting of the Rule 22 Working Group shall:

address necessary implementation details associated with the switching rules adopted in the decision, as well as the process of notifying grandfathered DA customers concerning their options for returning to DA within a 45-day window period.

identify any unresolved implementation issues for which no consensus can be reached, and subsequently produce a report identifying such remaining issues so that the need for further hearings or other process to address remaining contested issues may be considered.

address the issue of developing a tariff-based solution--for those DA customers who return to bundled service--to provide repayment of an appropriate share of accrued Direct Access Cost Responsibility Surcharge undercollections.

Pursuant to Ordering Paragraph 8 of D.03-05-034, the PG&E, SCE and SDG&E shall jointly develop advice letters to implement tariff changes and implementation timing and details necessary to comply with the provisions of this order (including the recovery of undercollections). The draft advice letters will be circulated to the service list by the utilities on June 3<sup>rd</sup>. A more detailed draft agenda will also be circulated prior to the workshop.

This workshop is open to the public. Please address any questions regarding the workshop to Steve Roscow of the Commission's Energy Division, at (415) 703-1189 or by e-mail to (scr@cpuc.ca.gov).

**Workshop Notice – Draft Resolution E--3711 (Electronic Billing)**

June 12, 2003 10 am - noon  The workshop will begin at 10:00 a.m. and is expected to last until noon, but it may be extended into the afternoon, if necessary.	California Public Utilities Commission 505 Van Ness Ave, Training Room (Corner of Van Ness Avenue and McAllister Street) <b>San Francisco</b>
---	--

In view of the comments the Commission has received on the Draft Resolution E-3711 issued March 3, 2003 by the Energy Division, we are calling a workshop to discuss the extent and form of any consumer electronic billing.

We will focus on the electronic billing programs being proposed for residential and small

commercial customer, and associated consumer protection measures. We will also ask for explanations of the current billing practices for direct access customers and core aggregators, and of any changes in those practices that are being considered by the public utility corporations.

Southern California Edison (Edison), Pacific Gas and Electric Company (PG&E), San Diego Gas & Electric Company (SDG&E), and Southwest Gas (Southwest) should bring proposals for implementing electronic billing, for any consumer protection measures that may be necessary or useful, and for resolving differences they may have with the recommendations set forth in Draft Resolution E-3711. Other parties may also bring proposals.

This workshop is open to all parties. If parties other than PG&E, Edison, SDG&E, and Southwest plan to attend and make proposals, they should contact Maurice Monson of the Energy Division. Please address any questions on the workshop to Maurice Monson at (415) 703-3072 or by e-mail to (mdm@cpuc.ca.gov).

**Summary:** On May 21, 2002, Kathryn Slater-Carter, Montara Sanitary District (MSD) Board Chair, met with Cmmr. Lynch in San Francisco. Also present were Tom Long, advisor to Cmmr. Lynch, Jeff Almquist, Supervisor, County of Santa Cruz (County), and Edward W. O'Neill, counsel for MSD and the County. The parties discussed the failure of RWE Aktiengesellschaft (RWE), Thames Water Aqua Holdings GmbH

(Thames), American Water Works Company Inc. (AWW) and California American Water Company (Cal-Am) to comply with the commitments they made in A02-01-036 seeking approval of the RWE/AWW merger, and D02-12-068. O'Neill stated that RWE, Thames, AWW and Cal-Am have failed to comply with the commitments they made in A02-01-036 and the conditions imposed in D02-12-068 in two important respects. Almquist described extraordinary interest and concern among Felton District ratepayers regarding RWE's acquisition of the local water supply. Slater-Carter added that instead of complying with the Commission's divestiture condition, RWE, Thames, AWW and Cal-Am have sought unilateral extensions of time to comply with the condition, thereby unnecessarily increasing the time and expense to MSD of acquiring the Montara District facilities and have written letters to the Commission in which they have misrepresented MSD's position and the nature of the discussions in confidential settlement negotiations. Slater-Carter also stated that contrary to Cal-Am's claims, price is not the only issue to be resolved between the parties and renewed MSD's request for Commission assistance to facilitate the resolution of remaining issues between MSD and Cal-Am. O'Neill requested that the pending motion of MSD and the County to suspend Cal-Am's general rate case be granted.

**Summary:** On May 27, 2003, Osa Armi, attorney for Save Southwest Riverside County (SSRC), spoke on the telephone to Belinda Gatti, advisor to Cmmr. Brown. Armi explained SSRC's position with regard to the alternate by Pres. Peevey. Armi explained that the alternate would effectively set aside the Commission's December 2002 decision and would re-open the evaluation of whether a project like the Valley-Rainbow line is needed. Armi explained that San Diego Gas & Electric Company's arguments in support of its petition for modification are not new and lack merit.
